### I. Policy:

- A. The IEP is a separate document from the WIOA application.
- B. IEP creation can begin on the same day that the participant is determined WIOA-eligible.
- C. Communicating with the participant about interests and goals for employment should begin at enrollment and is imperative for the development of an effective IEP conducive to the participant's goals.
- D. Case managers will gather information pertinent to the IEP development through discussions related to education, work experience, employment history, job skills, needs, and barriers.
  - 1. The IEP will contain steps that the participant will take to address barriers and obstacles to achieving the ultimate goal.
  - 2. It is the responsibility of the case manager to identify on the IEP any appropriate services needed by the participant to achieve his/her objectives, to whom the participant is referred, and estimated start and end dates of each service.
- E. The case manager will advise the participant in making informed choices and decisions relating to the elements of the IEP, which can include additional assessments, job search workshops, and/or skill-building for interviews or resumes.
- F. Assessment outcomes should be documented on the IEP.
  - 1. Required assessments include CareerScope, TORQ, TABE, O\*NET.
  - 2. Following the completion of the assessments, the case manager will review the results with the participant, at which point the WIS02 service code should be entered into CWDS, and the IEP can be completed.

#### II. Procedure:

- A. The IEP is developed jointly in CWDS by the participant and case manager.
- B. Understanding a participant's skill level and abilities impact details that are included in the IEP.
- C. The IEP is printed and signed by the case manager and participant.
- D. A copy of the IEP is given to the participant.

SCPa Works Individual Employment Plan Policy #P-4-7.22 ~ SCWDB Approved November 11, 2022 This is an electronically controlled document. All hard copies are considered uncontrolled.

#### III. Maintenance:

- A. The IEP is a living document, and is reviewed every time a service element is completed at which time the IEP updated.
  - 1. The IEP is updated and signed every time a change is made to the participant's plan.
  - 2. The IEP is reviewed by the case manager regularly to evaluate the participant's progress and address additional needs or necessary changes.
  - 3. The case manager and the participant must collaborate on the changes and sign the IEP every time it is updated.
  - 4. The IEP must be signed every time is it updated.
  - 5. The IEP should be closed upon participant program exit.

#### **IV.** Case Notes:

- A. Case notes must be included as a part of the incentive process.
- B. Each case note must include:
  - 1. A case note title that tells the reader to what the case note refers.
  - 2. Metrics to include dates, dollar amounts, measurements, percentages, an amount of time, a number of people involved, a score, a quantified goal, and any additional numeric values that are related or in any way to the incentive.
  - 3. A step-by-step story that thoroughly explains every detail of the circumstances, events, and interactions that explain exactly why or how the participant is eligible for the incentive.
    - a. This portion of the case note needs to explain what the participant did to achieve the goal, and how the case manager supported the participant throughout the process.
  - 4. A list of specific "next steps" to be taken by the participant and the case manager to continue to with results-driven program progress.
    - a. The next steps must include a goal, a process to achieve the goal, and a deadline to indicate when the goal will be achieved.
    - b. Include future follow-up dates that will match future case note dates that will detail exactly what happened during the follow-up engagement.
